1. INTRODUCTION

- 1.1 The Lime Trust (referred to herein as the “**Trust**”) was established on 5th November 2014 and was known formerly as the Lime Academy Trust. In consequence of it entering into both a Master Funding Agreement and a number of Supplemental Funding Agreements (the “**Funding Agreements**”), the Trust is a multi-academy trust capable of operating and maintaining a number of academies (the “**Academies**”).
- 1.2 The Trust is both a company limited by guarantee, registered at Companies House (Company Number 09297519) and, by virtue of its charitable object “to.... advance, for the public benefit, education in the United Kingdom..... by establishing schools” i.e. the Academies, is a charity. The Trust is not a registered charity but an “exempt” charity, regulated by the Secretary of State for Education, who acts as the principal regulator.
- 1.3 The Trust’s constitution is set out in its “**Articles of Association**” and this Scheme of Delegation has been put in place in accordance with the provisions of the Articles and should be read in the light of them.
- 1.4 The purpose of this Scheme of Delegation is to provide clarity as to the role and responsibilities of those who contribute to the governance and oversight of the Academies and the Trust itself. All those with governance and management responsibilities must be familiar with this Scheme of Delegation so that appropriate steps can be taken to ensure there is sufficient and proper challenge of those with leadership responsibilities, to ensure that senior leaders are held to account for the performance of the Academies and that there is financial stability within the Trust.
- 1.5 The Trustees reserve the right (in their absolute discretion) to review and alter this Scheme of Delegation and the level of delegated responsibility at any time, noting that it is likely to be reviewed for its effectiveness at least every two years. Whilst the Scheme cannot take the form of a legally binding contract between the Trust and the Academies and is subject to the overriding duty on the Trustees of the Trust to act freely and in the best interest of the Trust and the Academies, in so far as the Trustees are able they agree to abide by the provisions of it and will consult on any significant changes.
- 1.6 The Effective Date of this Scheme of Delegation i.e. the date it was adopted by the Trust is noted on the front page.

2. VISION AND VALUES

2.1 Vision and Values

The Trust is committed to:

- Setting the standard – for all pupils, all staff, all parents and stakeholders
- Putting children first – a moral purpose to place pupils' learning and wellbeing at the centre of all that we do
- Capacity Rich Schools.

The Trust will be ambitious, optimistic and forward-looking. It will build capacity in its academies. It will celebrate diversity and wellbeing. It will:

- Deliver rapid and sustained improvement in mainly large primary schools
- Grow young leaders to headship in challenging schools
- Recruit and retain the very best teachers to deliver Quality First teaching.

2.2 Principles for Effective Partnership

The Academies, and those responsible for the governance and management of the Trust and the Academies, have committed to working in partnership, supporting one another and there are clear underlying principles around how that partnership will work:

2.2.1 Equal Partners

The Academies are equal partners within the Trust and at all times the partners will strive for consensus in decision making, recognising that each Academy has both strengths and weaknesses. Each Academy will work with the Lime Trust to build a unique character, and to realise the Lime Trust's values in the local context, to increase the pace of the Academy's development and improvement. The Academies will work collaboratively with each other, sharing resources, knowledge and best practice, to fulfil the Trust's mission, vision and values.

2.2.2 **Transparency**

All those involved in the running and oversight of the Trust and the Academies will be open and honest in their dealings with each other, at all times acting in good faith and recognising the value of independence and separation in relation to decision making.

2.2.3 **Subsidiarity**

Decisions are to be taken at the level nearest to those affected by those decisions which is compatible with the principles of solidarity and support for the common good, avoiding unnecessary bureaucracy and aiming in so far as possible to make changes to established practices only where it can be demonstrated there is a reasonable need and in order to learn from experience or adapt to changing circumstances. Where governance responsibility is delegated appropriate decision making authority will be given. The parameters of such authority will be clear and those to whom responsibility is given will be required to report to those who retain overall responsibility.

2.2.4 **Solidarity**

All those with responsibility for the Trust and the Academies share a particular commitment to the mutual support of all Academies for whom the Trust is responsible, especially those that are in need of assistance at any particular time.

2.2.5 **The Common Good**

All recognise their responsibility towards the common good, not just of the Academies for whom the Trust is responsible, but of all of the families and communities in the areas served by the Trust. The Trustees will ensure that common action and collaboration is conducted at the correct level and that the balance between subsidiarity and solidarity serves the common good in the most appropriate way.

3. ACCOUNTABILITY: GOVERNANCE AND MANAGEMENT STRUCTURES

3.1 Overall Structure

- 3.1.1 The nature of the Trust as a company running multiple academies means there are many governance and management layers.
- 3.1.2 The “**Members**” of the Trust are equivalent to shareholders of a trading company but as the Trust is charitable with no power to trade or distribute profit to shareholders, the Members are best viewed as guardians of the constitution, ensuring the charitable object is fulfilled. Each Member’s liability is limited to £10 and, in view of the limited liability and therefore scope for accountability, they have limited governance and no day to day management responsibilities.
- 3.1.3 The corporate management and both “trustee” and “director” responsibility for the Trust is vested in the “**Trustees**”, who will also be trustees for charity law purposes and company directors registered with Companies House. The Trustees are personally responsible for the actions of the Trust and the Academies and are accountable to the Members, the Secretary of State for Education and the wider community for the quality of the education received by all pupils of the Academies and the expenditure of public money. The Trustees are required as trustees and pursuant to the Funding Agreements to have systems in place through which they can assure themselves of the quality, safety and good practice of the affairs of the Trust. The Trustees meet as a board of Trustees, generally known as the “**Trust Board**”. All Trustees have the same responsibility to act in the best interests of the Trust and the Academies, irrespective of their role on the Board i.e. whether appointed in an executive capacity, such as the “**Chief Executive Officer**”, or appointed by the Board and later ratified by the Members.
- 3.1.4 The Trustees oversee the management and administration of the Trust and the Academies run by the Trust and delegate authority and responsibility to others, including executive officers and school leadership teams who can undertake the day to day management of the Academies. The Trust Board will continue to have the necessary strategic and legal oversight of the Trust and will monitor all activities; determining the strategic direction of the Trust, assessing the

performance of the Academies and establishing and reviewing the policies and practices governing the life of the Academies.

- 3.1.5 Articles 101–104 provide for the appointment by the Trustees of committees or working groups to whom the Trust Board may delegate certain functions and responsibilities. In addition to the committees referred to later in this Scheme of Delegation, the Trust Board has established “**Academy Councils**” for the Academies to support the Trust Board and the leadership teams within the Academies. The Academy Councils are accountable to the Trust Board in relation to any matter delegated to it.
- 3.1.6 Article 107 states that the responsibility for appointing the Chief Executive Officer and any principal, executive head or headteacher of an Academy (“**Headteacher**”) is vested in the Trust Board and under Article 105 the Trust Board may delegate such power and responsibility to such persons as are required for the proper management and organisation of the Trust and the relevant Academy as the case may be. All Headteachers will report to the Chief Executive Officer, who in turn reports to the Trust Board. Notwithstanding this, the Academy Councils will play an active part in supporting the Headteacher and will liaise as appropriate with the Chief Executive Officer and the Trust Board more generally in relation to the oversight of executive officers and leadership teams within the Trust.
- 3.1.7 A “**Summary of Key Delegated Responsibilities**” is attached at Appendix 2.

3.2 **Role of the Members**

- 3.2.1 The Members are the guardians of the constitution, determining the governance structure of the Trust and providing oversight and challenge of the Trustees to ensure the charitable object of the Trust is being fulfilled. Whilst the Members have limited legal and financial responsibility for the affairs of the Trust, the Department for Education recommends that there is some separation between the Members and the Trustees as “this enables members who are independent of the trustees to provide challenge and scrutiny to the board” (Governance Handbook November 2015).

3.2.2 The Department for Education recommends that the Trust has five members, but fewer may be possible and the Articles only require three. Some of the Members may also be Trustees. Where five are appointed, three shall be entirely independent of the Trustees and the Academy Councils.

3.2.3 The Members' key responsibilities are:

3.2.3.1 to ensure the Objects of the Trust are met, the Annual Report should address this which will be presented to the Members either at a General Meeting of the Trust held in accordance with the Articles of Association or by other means;

3.2.3.2 to determine the Trust's constitution and governance structure, i.e. the Articles; and

3.2.3.3 exercising either a direct power under the Articles or a statutory power under the Companies Act 2006 to appoint and remove Trustees (noting any power also of the Trust Board to make such appointments), the latter being exercised sparingly given the management responsibility is vested in the Trust Board.

3.2.4 Notwithstanding any provision of the Articles, the Members hereby delegate to the Trustees a power and responsibility to appoint and remove Trustees, which appointments will be ratified at the next General Meeting of the Members. Any removal by the Trust Board of a Trustee appointed by the Members shall only be undertaken with the consent of the Members.

3.3 Role of the Trustees and the Trust Board

3.3.1 The Trustees have overall responsibility and ultimate decision making authority for all the work of the Trust, including the establishing and maintaining of the Academies (which includes taking existing schools into the Trust and opening new schools). The Trustees have the power to direct change where required.

- 3.3.2 As trustees of a charity, the Trustees have a fiduciary duty to act in good faith in the best interests of the charity. This duty includes a responsibility to do the following:
- 3.3.2.1 to ensure compliance with any legal obligations;
 - 3.3.2.2 to report on the charity's activities (the Trust must prepare accounts in accordance with the Statement of Recommended Practice for Charities, the so called "**Charity SORP**" and any reporting requirements of the Education Funding Agency);
 - 3.3.2.3 to fulfil the charitable object of the charity as set out in its constitution (i.e. the **Articles of Association**) and to act in a way which is compliant with the rules of the charity contained in the Articles;
 - 3.3.2.4 to act with integrity and to avoid any personal conflicts of interest and not to misuse any charity funds or assets;
 - 3.3.2.5 to act prudently in the financial management of the Trust, avoiding putting any assets, funds or reputation of the Trust at undue risk;
 - 3.3.2.6 to exercise reasonable care and skill, using personal knowledge and experience to ensure the Trust is well run and efficient; and
 - 3.3.2.7 to act responsibly, getting advice from others, including professional advisors, where appropriate.
- 3.3.3 The Trustees must act independently and in the best interest of the Trust, even if those interests conflict with those of the body or organisation that might have appointed or nominated such Trustee to serve on the Trust Board. This will include a conflict of loyalty where there is no obvious benefit involved, as well as a conflict of interest. The Trust Board has adopted a formal **Conflict of Interest Policy** in order to assist all those involved in the running of the Trust at every level to avoid and manage conflicts. Specific attention must be given to any arrangement whereby a Member or Trustee will personally benefit from an arrangement and the Conflict of Interest Policy makes

reference to the EFA's guidance on "related party transactions" which all those involved in the running of the Trust must have regard to. This does recognise however the fundamental and necessary relationships between the Members, the Trustees and the Academies in both governance and management terms and that individuals may serve in a number of capacities and at numerous levels within the Trust.

3.3.4 The specific tasks and responsibilities of the Trust Board are as follows:

3.3.4.1 to determine and fulfil the shared vision and ethos of the Trust and the Academies, acknowledging the uniqueness of each individual Academy and the needs of the communities they serve;

3.3.4.2 to approve the strategic plan for the Trust and to facilitate the effective communication of that plan so this can be implemented across the Trust and all the Academies;

3.3.4.3 to support the Chief Executive Officer in implementing the Trust's strategic plan, acknowledging actions taken in accordance with the principles of the strategic plan and giving due and prompt consideration to proposals put forward by the Chief Executive Officer which may not have been contemplated when the strategic plan was approved (either in response to external need or new opportunity);

3.3.4.4 to develop and support strategic partnerships with other bodies and organisations, including service providers, government agencies, local authorities, the Secretary of State for Education (including the Department for Education, the Education Funding Agency and Ofsted), which will further the Trust's strategic plan;

3.3.4.5 to provide challenge and support to the Chief Executive Officer and the Trust's Executive Team;

3.3.4.6 to determine and support the Chief Executive Officer in the implementation of policies and procedures which it is intended will achieve a consistently high standard of

education and financial prudence across the Trust dealing with (but not limited to) the following:

- Human Resources/Employment
- Audit & Risk Management
- Financial Management
- Contingencies and Reserves
- Governance
- Health & Safety
- Safeguarding
- Standards and Educational Performance
- Operational Matters
- Data Management
- Complaints and Appeals
- Legal Compliance

3.3.4.7 to make or facilitate the making of suitable appointments of individuals who will serve on the Academy Councils, including removing such individuals who fail to fulfil the expectations of them as set out in this Scheme of Delegation (Trustees are not expected to serve on an Academy Council but occasional overlap is permitted);

3.3.4.8 to approve the overall Trust budget and the heads of expenditure within the Academies where appropriate establishing a **Finance and/or Audit Committee** to support the Trust Board in this function adopting the terms of reference set out in Appendix 6;

3.3.4.9 to supervise the effectiveness of the Academies and the Headteachers, ensuring there is regular reporting through the Chief Executive Officer and proper management of outcomes and objectives, intervening if necessary in accordance with the procedures set out in this Scheme of Delegation;

- 3.3.4.10 to formally appoint the Chief Executive Officer and the Headteachers, supporting or undertaking their performance management by the Chief Executive Officer (as appropriate) and ensuring there are programmes in place for the professional development and review of performance of all staff;
- 3.3.4.11 to ensure there is a comprehensive system of support in place within the Academies, emphasising the benefits of collaborative working across the Academies and procurement efficiencies for common services and resources;
- 3.3.4.12 to ensure there is a proper system for the internal audit of the accounts of the Trust (including the Academies) and the financial procedures followed by the Academies, facilitating the preparation of the Trust's accounts, establishing a formal **Finance and Audit Committee** adopting the terms of reference set out in Appendix 6 which will be responsible for reviewing the finances of the Trust and the Academies and carrying out periodic internal audits of the Academies' financial processes, procedures and accounting records [(a separation of the finance and audit function may be undertaken at some stage)];
- 3.3.4.13 to act as the ultimate decision maker in relation to any appeals by staff following disciplinary or grievance procedures;
- 3.3.4.14 to ensure proper advice is available to the Trust and the Academies in relation to legal and compliance matters;
- 3.3.4.15 to ensure that insurance or risk protection cover is put in place and maintained for all risk areas including damage to property, employer liability, public and third party liability and Trustee liability.

- 3.3.5 The **Job Description and Person Specification incorporating a Code of Conduct and Role Responsibilities for Trustees** is set out in Appendix 4. Specific skills may be needed if a Trustee is to

take responsibility for and lead on a specific area, or to undertake the role of the Chair of the Trust. A regular skills audit will be undertaken and Trustees should expect to be able to articulate their contribution to the success of the Trust and the Academies.

3.4 **Role of the Chief Executive Officer and the Executive Team**

3.4.1 The “**Executive Team**” is the executive arm of the Trust Board, focusing on operations and resources (including HR, finance and policies) and supporting the educational performance of the Academies. It operates under the leadership and direction of the “**Chief Executive Officer**”. Any Chief Operating Officer and/or Chief Financial Officer (where appointed) will be members of the Executive Team. The Executive Team works directly with the staff in each Academy to ensure that the Trust’s strategic plan (incorporating the Academies development plans) is being implemented and the required outcomes are achieved in accordance with the direction and vision of the Trust Board.

3.4.2 The key responsibilities of the Chief Executive Officer are set out in a Job Description. The Chief Executive Officer will be the “**Accounting Officer**” for the Trust, who is personally responsible to Parliament and to the accounting officer of the EFA for the resources under the control of the Trust. The essence of the role is a personal responsibility for the propriety and regularity of the public finances for which they are answerable; for the keeping of proper accounts; for prudent and economical administration; for the avoidance of waste and extravagance; for ensuring value for money; and for the efficient and effective use of all the resources in their charge. Essentially the Accounting Officer must be able to assure Parliament and the public of high standards of probity in the management of public funds.

3.4.3 The primary responsibilities of the Chief Executive Officer and the Executive Team are:

3.4.3.1 to advise on and manage the processes for schools joining the Trust in line with the Trust’s strategic plan (including carrying out appropriate due diligence and identifying any actions required to address areas of weakness or opportunities for improvement);

- 3.4.3.2 to advise on and facilitate or provide (as required) the necessary operational and management support to each Academy, advising on policies in core areas of the operation in accordance with the requirements of the Trust Board. These core areas include legal compliance, risk management, teaching and learning/standards (including target setting and curriculum support), staff training and personal development, finance, procurement, HR and ICT;
- 3.4.3.3 to specify management controls and reporting requirements, audit the associated processes, procedures and outcomes in each Academy, identify and deliver appropriate training and support and (as the Chief Executive Officer) report to the Trust Board on progress and concerns
- 3.4.3.4 to provide operational and management support to the Headteachers and senior leadership teams within the Academies (including advising on expenditure and target setting), as well as assist the Academy Councils in achieving the collective strategic aims and objectives;
- 3.4.3.5 to determine the appropriate staffing structures both at a strategic level and within the Academies, identifying areas where collaboration will lead to improvements in teaching and learning and/or operational efficiencies;
- 3.4.3.6 as the Chief Executive Officer, to undertake the appraisal and performance management of the Headteachers and to support the Headteachers in undertaking the appraisal and performance management of all other Academy staff;
- 3.4.3.7 as the Chief Executive Officer and subject to any specific terms in the Trust's Disciplinary Policy, to undertake any disciplinary action or capability review as follows:

Member of staff	Responsibility for investigation	Decision maker in respect of sickness absence, capability, disciplinary action and/or dismissal	Person/body to whom there is a right of appeal
Chief Executive Officer	Trust Chair	Decision Panel put in place by Trust Board	Appeal Panel put in place by Trust Board
Member of Trust Executive Team	Chief Executive Officer or nominee	Chief Executive Officer (if nominee investigated) or if Trust Board decides otherwise a Decision Panel put in place by Trust Board	Appeal Panel put in place by Trust Board
Principal/ Headteacher	Chief Executive Officer or nominee	Chief Executive Officer (if nominee investigated) or if Trust Board decides otherwise a Decision Panel put in place by Trust Board	Appeal Panel put in place by Trust Board
Member of School Leadership Team or School Business Manager	Headteacher	Chief Executive Officer	Appeal Panel put in place by Trust Board
Any other member of staff	Senior officer nominated by Headteacher	Headteacher	Chief Executive Officer

3.4.3.8 to implement and review systems for the benchmarking of the Academies across the group (including financial as well as educational performance), developing systems for cross

fertilisation and supporting the Trust Board in maximising the opportunities for resource sharing and collaboration;

3.4.3.9 to ensure that insurance or risk protection cover is put in place and maintained for all risk areas including damage to property, employer liability, public and third party liability and director/trustee liability;

3.4.3.10 to undertake the strategic management of the whole school estate, advising the Trust Board on areas of risk and assessing the Trust's overall safeguarding responsibilities, including drawing up a long term estate plan which identifies areas in need of expansion and/or development and areas likely to be surplus to requirements;

3.4.3.11 to take a lead on any capital bids and allocations, supporting the Academies' premises teams to carry out works safely and cost effectively; and

3.4.3.12 putting forward budgets for the Trust (and each of the Academies) for the Trust Board to approve.

3.4.4 The Executive Team under the direction of the "**Chief Operating Officer**" will also supervise and facilitate the production of accounts (both at Academy and Trust level) and the auditing of those accounts for disclosure purposes and will report on the activities of all the Academies to the relevant statutory bodies.

3.4.5 The cost of the functions undertaken by the Executive Team and the Trust Board (including the Chief Executive Officer) are generally funded on a fair and equal basis by the Academies by the contribution of a percentage of the government funding provided for each Academy (the "**Support Cost Contribution**"). This contribution will be set each year against a budget for the shared costs approved by the Trust Board. The percentage may vary according to the level of activity carried out by the Executive Team. Additional funding received by the Trust from other sources (such as government grants and income received from other schools and organisations in return for traded services) will contribute directly to the shared costs and will offset the Support Cost Contribution required from the Academies. An

Academy may be asked to reimburse any third party costs payable to consultants where additional support has been agreed or has been necessary.

3.5 The role of the Academy Council

3.5.1 The role of those serving on an Academy Council is an important one, ensuring there is local accountability for the performance of the Trust and the Academies and that the Academies serve their communities. The Trust Board has established Academy Councils for each of the Academies (following any transitional arrangements), for the most part made up of individuals drawn from the Academy's community, both as elected and appointed members.

3.5.2 Those serving on such Academy Councils are accountable to the Trust Board and must ensure that at all times they act in good faith and in the best interests of the Academies and the Trust, exercising reasonable care and skill having particular regard to personal knowledge and experience. As with the Trustees, the members of the Academy Council must comply with the Trust's Conflict of Interest Policy.

3.5.3 The **Job Description and Person Specification incorporating Role Responsibilities for members of an Academy Council** is set out in Appendix 5. Specific skills may be needed if an individual is to take responsibility for and lead on a specific area, or to undertake the role of the Chair of the Academy Council. A regular skills audit will be undertaken and members of the Academy Council should expect to be able to articulate their contribution to the success of the Trust and the Academies.

3.5.4 The specific tasks and responsibilities of the members of the Academy Council are as follows, with further detail set out in Section 4 of this Scheme of Delegation:

3.5.4.1 to monitor how the Academy fulfils the vision and ethos of the Trust in so far as it relates to the Academy and achieves the aims and ambitions it has for its pupils, having regard in particular to the benefits of being part of a family of schools

which stresses the importance of collaboration and mutual support;

- 3.5.4.2 to monitor the implementation of the Academy's strategy for improvement as set out in its development plan, focussing on the Academy's performance and any curriculum and budgeting priorities identified by the Chief Executive Officer;
- 3.5.4.3 to support the Headteacher and senior leadership team in monitoring pupil progress and analysing any performance data in the light of the Academy's strategy for improvement and performance targets;
- 3.5.4.4 to support the Trust Board in providing scrutiny of the Academy's senior leadership team for all aspects of the Academy's performance;
- 3.5.4.5 to monitor the expenditure of the Academy's annual budget in line with the appropriate risk and financial management policies and practices including in particular any adopted by the Trust Board for application across all the Academies;
- 3.5.4.6 to support the Chief Executive Officer and the Headteacher in the development and review (from time to time) of an appropriate staffing structure for the Academy, feeding back any experiences which may contribute to robust and accountable monitoring of the performance of staff in line with any policies relating to staff adopted by the Trust Board;
- 3.5.4.7 to support the Trust Board in its monitoring and evaluation of the delivery of any central or shared services and functions provided or procured by the Trust for the Academies, reporting any issues or concerns to the Chief Executive Officer and, if necessary, the Chair of the Trust Board;
- 3.5.4.8 to contribute to the development and review of any Academy policies which the Trust Board has indicated should be formulated at Academy level;

- 3.5.4.9 to promote the benefits of collaboration with the other Academies and to actively seek opportunities to work together either with the aim of improving economic efficiencies within the Academies or identifying and implementing best practice;
- 3.5.4.10 to develop effective links within the Academy's community, communicating openly and frequently as appropriate contributing to meeting its responsibilities to the community and serves the community's needs in relation to the safeguarding and education of its pupils; and
- 3.5.4.11 to engage fully and openly with any inspection of the Academy, whether by the Trust Board, Ofsted or any other appropriate public body to whom the Academy is accountable, supporting the Chief Executive Officer and the Trustees in providing the necessary background and local context in respect of the Academy and its performance in line with objectives and against targets.
- 3.5.5 The Trust Board also recognises the role that the Academies play in their communities and the Academy Council is free to decide how such support and patronage is given. The Academy Council shall ensure that any support is not inconsistent with the objects of the Trust and the restrictions on the use of its charitable resources and any advice or restriction placed on the Trust by the Secretary of State. The Academy Council shall ensure that any formal collaboration or support with third parties, including with those with whom the Trust has a strategic partnership is appropriately documented and the details notified to the Chief Executive Officer and Finance and Audit Committee (where appropriate) to assess effectiveness and where financial support is provided for accounting reasons.

3.6 Committees and Further Delegation

- 3.6.1 Subject to the provisions of the Articles of Association, in addition to the Academy Councils the Trust Board may establish any other committee or working group to advise and inform the Trustees to support them in their decision making.

- 3.6.2 The Academy Councils are not expected to establish any sub-committees but may establish a working group to deliver a specific project, whether in conjunction with the Trust Board or alone, subject to the approval of the Trust Board.
- 3.6.3 Provided such power or function has been delegated to the Chief Executive Officer, the Chief Executive Officer may further delegate to the Headteacher or any other holder of an executive or leadership post, such of their powers or functions as they consider desirable to be exercised by them. Any such delegation may be made subject to any conditions or requirements the Trust Board may impose and shall be consistent with any policy or statement of recommended practice issued from time to time by the Trust Board and may be revoked or altered by the Trust Board at any time.
- 3.6.4 Where any power or function of the Trust Board is exercised by the Chief Executive Officer or the Headteacher or any other holder of an executive or leadership post (as the case may), that person shall report to the Trust Board in respect of any action taken or decision made with respect to the exercise of that power or function at the meeting of the Trust Board immediately following the taking of the action or the making of the decision.

4. TERMS OF REFERENCE FOR THE ACADEMY COUNCILS AND THE ROLE OF THE HEADTEACHER

4.1 Delegated Authority and Responsibilities

4.1.1 Those to whom delegated responsibility is given must acknowledge the limitations on their authority and must not act outside of their authority. Any wilful disregard of the matters expressed in this Scheme and in particular the Terms of Reference for the Academy Council is likely to lead to a removal of delegated authority. No alteration of the Articles or change to the Scheme or removal of delegated authority shall invalidate any prior act of the Academy Council which would have been valid if that alteration or withdrawal had not been made.

4.1.2 As a matter of general principle, the Academy Council and the Academy more generally will adopt and will comply with all policies adopted by the Trust Board and will comply with any direction issued by the Trust Board and have regard to any advice given.

4.2 School Budget

4.2.1 The Academy Council shall oversee the exercise of the following powers which have been delegated to the Headteacher and the Academy's senior leadership team, namely:

4.2.1.1 to expend the funds of the Trust approved by the Trust Board in such manner as the Academy Council shall consider most beneficial for the running of the Academy; and

4.2.1.2 to enter into contracts on behalf of the Trust in so far as they relate to the Academy and are within the scope of the Headteacher's and/or Academy Council's responsibility as set out in this Scheme of Delegation

subject to compliance with the policies and procedures set out in the "**Financial Regulations Manual**" annexed to this Scheme of Delegation as Appendix 1, which amongst other things deals with the following:

- (a) authorisations for expenditure;
- (b) procurement and approval of contracts;
- (c) policies for the safeguarding of funds and assets; and
- (d) the management of claims and losses.

4.2.2 Each Academy will have its own bank account, opened by the Trust when the Academy joined the Trust, and authority to expend monies delegated to the Academy, subject to compliance with the Financial Regulations Manual. All cheques, BACS and orders for the payment of money from such account shall be signed by or authorised in accordance with the Financial Regulations Manual.

4.2.3 No Trust monies (whether or not authority to expend has been devolved to the Academy) shall be paid into any bank account other than a bank account authorised by the Trust Board.

4.2.4 The Trust's accounts shall be the responsibility of the Trust Board but the relevant Headteacher shall provide such information about the Academy, as often and in such detail and format as the Chief Operating Officer and/or the Finance and Audit Committee shall reasonably require, in order to carry out an internal audit of the Academies in accordance with the requirements of the Academies Financial Handbook. Without prejudice to the above, the Headteacher shall provide management accounts in an approved format to the Chief Operating Officer and/or the Finance and Audit Committee at least once per term (three times per year) or as requested by the Finance and Audit Committee.

4.2.5 The Academy Council shall monitor how the Academy follows the Trust's controls, policies and procedures to ensure the safeguarding of funds and assets, satisfying the requirements of the Academies Financial Handbook and the obligations on the Trust in the Funding Agreements as well as any requirements and recommendations of the Chief Operating Officer and/or the Finance and Audit Committee and the Education Funding Agency.

4.2.6 The Trust Board acknowledges the Academy Council's right and intention to use any voluntary (i.e. non grant) funds (including any

APPENDIX 3

RISK MANAGEMENT POLICY

Principles

The Trustees have overall responsibility and ultimate decision making authority for all the work of the Trust, including the establishing and maintaining of the Academies (which includes taking existing schools into the Trust). The Trustees have the power to direct change where required.

The Trustees have delegated certain responsibilities for the running of each of the Academies to an Academy Council and to the Headteacher and senior leadership team who are responsible for the internal organisation, management and control of the Academy on a day to day basis. The responsibilities of the Academy Council are set out in the Trust's "Scheme of Delegation".

Risk management must prioritise and protect:

- The safeguarding of high quality and effective education of the young people in the Academies;
- The reputation and ethos of the Trust and the Academies;
- The common good in terms of the interests of the families in the communities served by the Academies and the pupils of the future;
- The Scheme of Delegation and the balance struck between central management and local responsibility.

The responsibility of each Academy Council

It is the responsibility of each Academy Council to implement, monitor and verify such policies and procedures to facilitate an annual statement of compliance on those risks identified by the Trust Board. The Academy Council should take such steps needed to support leadership and assist the Trust Board in meet its legal obligations including the requirements of the Department for Education (or any successor body) as they relate to the operation of the Academies. The Academy Council and the Headteacher should provide resources to mitigate identified risks and declare any non-compliance to the Trust Board. The Trustees will commission on a regular basis external verification of internal systems so as to ensure the systems fitness for purpose and compliance to current standards.

The responsibilities of the Trustees

It is the responsibility of the Trustees to identify those risks which arise from academy status and membership of a multi-academy trust and develop policies and procedures which mitigate these risks (taking account of the principles identified above). To mitigate financial risk the Trustees will require all Academies to use approved banking arrangements, audit arrangements, financial management systems, and premises insurance and building surveyors. Rigorous safeguarding policies are also a requirement for all Academies.

Beyond these areas the Trustees will identify risks common to all Academies, set policy frameworks but seek not to impose specific control mechanisms for those risks which are the responsibility of the Academy Council. The Trustees should receive compliance reports from the Headteacher, which shall be collated and monitored by the Chief Executive Officer, with appropriate acknowledgements from the Academy Council (and declarations of non-compliance) and develop systems to support individual Academies to mitigate risk to the Trustees and the Trust generally.

Operation of the Risk Management Policy

To assist the Trust Board in fulfilling its function, the Trustees may establish a “risk management committee” made up of appointed Trustees, representatives of the Academy Councils and the Executive Team, and others as may be required. The terms of reference should identify that a minimum of two Trustees should serve on this committee, with one being present for the committee to be quorate. The risk management committee may be a function of the Finance and Audit Committee or work alongside it. It is the duty of this committee to review the termly schedule of self-assessments made by individual Academies’ Academy Councils, consider how to support Academies to mitigate identified risks and report to the Trust Board each term on the risks identified.

The Nature of the Risks

- **The safeguarding of those involved in the enterprise**

The Trustees and Academy Councils will be required to have safeguarding (including safer recruitment and e-safety) policies which comply with the requirements of the appropriate Safeguarding Board.

- **The employment of those involved in the enterprise**

The Trustees and individual Academies should have a suite of legally compliant and common personnel policies, supported by advice and insurance.

- **The stewardship of the premises and site and the health, safety and welfare of those who use the site**

The Trustees reserve the right to direct individual Academies with regard to the insurances of Trust property (buildings, land and assets) and to approve and be kept informed of planned capital works. The Academies should develop comprehensive health, safety and welfare policies to include systems to monitor compliance with regulation and good practice and to externally assess these at a regular period.

- **The vision and values of the Trust and the academic standards attained**

The Headteacher should report to the Trustees on any OFSTED or other inspections and reports. Equally the Trustees should be informed of trends and actual academic outcomes and other key indicators identified by OFSTED (or any successor body) in order that the Trustees may broker support and advice from within (or beyond) the Trust to minimise the possibility of the Secretary of State using his reserve powers in relation to one of the Academies for which the Trust is responsible.

- **The financial integrity of individual academies**

The Trustees reserve the right to direct the Academies to bank with a named bank and to direct the Academies to use the services of agreed auditors. The Trust Board reserves the right to have annual agreed budget plans, termly budget summaries and annual outturn statements reported to it. Academies will not be permitted to operate deficit budgets without specific approval from the Trust Board. The Academy Councils will agree such policies as required to comply with DfE requirements on the operation of academies, including in relation to the procurement of goods and services. The Trust Board will appoint a suitably experienced “responsible officer” to work in the Academy who will oversee the financial integrity of the Academy with a particular reference to levels of delegation and the avoidance of over-reliance upon key individuals.

- **The capacity of the Trust Board and the Academy Councils to discharge their duties**

The Trust Board and individual Academy Councils will be expected to make an annual self-assessment of the skills and experience they require and their capacity to fulfil those requirements. Plans to mitigate deficiencies should be passed to the relevant Academy Council and the Trust Board. All Trustees and members of the Academy Councils are required to hold an enhanced Criminal Records Bureau certificate and to make a declaration of interests at the beginning of each meeting. The Trust will operate a Conflicts of Interest policy. The Trust will ensure that good quality legal advice is available to the Trust Board, the Academies and those responsible for running the Academies on a day to day basis.
