

Lime Academy Ridgeway

A New Primary School for Enfield

We are delighted to announce that the Lime Trust has received approval from the DfE to open a new Primary School (with nursery provision) in the Chase Farm, Ridgeway area of Enfield.

It is hoped that the Lime Academy Ridgeway will open in September 2017 for 90 reception pupils.

The school will increase parental choice in an area where there is a growing need for additional primary school places.

The Lime Trust are working with the DfE and Enfield Council to locate the most appropriate site to address the shortage of pupil places in areas where the need is most acute.

Register your interest for admissions via our website:

The Lime Trust has a clear moral purpose

'Putting children first'.

This is simply to place pupils' learning and well-being at the centre of all that we do.

Our ambition is to work collaboratively to provide opportunities and make a positive difference to the lives of the children, young people and adults within our schools and community.

Why the Lime Academy Trust?

We are well placed to provide new schools, because we:

- Have a proven track record of developing, leading and managing successful schools
- Are locally based
- Believe in supporting neighbouring schools, not competing against them
- Recruit the very best teachers and staff
- Have an uncompromising desire to build aspirations and challenge all children with high expectations
- Meet the high standards needed to be approved by the DfE as an academy sponsor
- Have robust Governance.

The Lime Academy Ridgeway

We are working towards opening our new school in September 2017. It is highly likely that in the first year the Lime Trust will manage its own admissions procedures.

We will be holding a number of information meetings to welcome prospective pupils, parents, and members of the local community to discuss our new school, and meet the Headteacher and school staff.

Keep up to date with information and review our plans via our website, or email us to get in touch.
